

Date: December 9, 2021

Subject: Measures and guidelines to prevent the spread of the Corona Virus disease 2019 (COVID-19) for Subscription of the newly issued ordinary shares of the Company

Attention: Shareholders
Master Ad Public Company Limited

According to the outbreak of the COVID-19, the Company has concerned about the situation, and the health and safety of shareholders and attendees of the meeting and would like to reduce the overcrowding of the number of shareholders who commute to subscription location for share subscription.

The Company would like to request your cooperation to submit the subscription documents through the securities company (Broker) where the shareholders have a securities trading account and have the Company's ordinary shares deposited so that the securities company can collect documents and submit the documents to the Subscription Agent for the newly issued ordinary shares of the Company (the "Subscription Agent"). The shareholder(s), as a result, does/do not need to commute to submit the documents in person at the subscription location.

For shareholders who do not have a securities trading account, the shareholders can still submit documents in person at the subscription location. Please be informed that the shareholders must wear facemasks and clear screening by having their body temperature checked. The Company by the Subscription Agent reserves the right to not allow shareholders who have temperature of 37.5 Celsius degree or higher (or have respiratory system symptoms such as coughing, sore throat or runny nose) to submit the subscription documents at the subscription location. The shareholder, however, can authorize the proxies to act on their behalf.
